Online Academic Document Management (OADM) User Guide - Committee Members

The Online Academic Document Management (OADM) has been developed to streamline various University processes by providing a secure and flexible online document sharing system. Applicant profiles can be reviewed online eliminating the necessity of paper copies.

Access OADM at http://arts.ucalgary.ca/oadm

A profile will be set up for each individual requiring access. Each person has a unique set of access parameters that are determined by their role in the process. Only authorized areas will be shown.

User Guides and links to the APT Manual and Faculty Guidelines can be found on the Help page of OADM.

For program assistance, contact Marilynine Smith at mgsmit@ucalgary.ca or 403-220-7319.
