LAND ACKNOWLEDGEMENT
The University of Calgary resides upon the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), the Tsuut’ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to Métis Nation of Alberta, Region III. The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River; the traditional Blackfoot name of this place is “Moh’kins’tsis”, which we now call the City of Calgary.

ii’ taa’poh’to’p, the Blackfoot name of the University of Calgary’s Indigenous Strategy, was bestowed and transferred in ceremony by Kainai Elder Andy Black Water on June 21, 2017. The name signifies a place to rejuvenate and re-energize while on a journey. Traditionally, these places are recognized as safe, caring, restful – and offer renewed energy for an impending journey. In a traditional naming ceremony, transitioning into the new name is a journey of transformation towards self-actualization.

### Expectations for Writing

All written assignments (including, to a lesser extent, written exam responses) will be assessed at least partly on writing skills. Writing skills include not only surface correctness (grammar, punctuation, sentence structure, etc.) but also general clarity and organization. Sources used in research papers must be properly documented. If you need help with your writing, you may use the writing support services in the Learning Commons. For further information, please refer to the official online University of Calgary Calendar, Academic Regulations, E. Course Information, E.2: Writing Across the Curriculum: [http://www.ucalgary.ca/pubs/calendar/current/e-2.html](http://www.ucalgary.ca/pubs/calendar/current/e-2.html)

### Student Conduct

A Student Code of Conduct Agreement, available on D2L, is part of this course. It is a required component of the class (see “Engagement”). Students are expected to attend class regularly. They must come prepared and ready to work.

Responsibility for fulfilling the requirements for all aspects of the course resides with the student. The professor will not give out lecture notes, repeat information, nor provide replacement copies of material provided during regular class meetings.

Students must adhere to the Principles of Conduct, both Academic and Non-Academic, as outlined in the University of Calgary Calendar: [ucalgary.ca/pubs/calendar/current/k.html](http://www.ucalgary.ca/pubs/calendar/current/k.html)

### Course Technology

This course is offered as an online/remote version only. Students are responsible for their own technological equipment (hardware, software, and connectivity) and must feel confident using a variety of programs and portals. The instructor does not provide technical support. If you are experiencing any technical issues, you must go through ucalgary.ca/it. All work must be completed using the online technologies designated by the instructor. Failure to complete any assignments by the deadline and according to the instructions due to technological error on the
student’s part is not sufficient grounds for an extension or re-take, and may result in a grade of F (0).

Students are eligible for an Office 365 subscription with their U of C IT account/email with which they may install and activate the Microsoft Office program suite on up to 5 devices. They may download the Microsoft Office installation file by signing into their email online at https://office365.ucalgary.ca and selecting "Install Office Apps" from their main Office 365 portal page. Once the Microsoft Office suite is installed, they may activate the license by signing in with their @ucalgary.ca email.

A D2L portal has been set up for this course that allows for group correspondence, course announcements, class materials, assignment submissions and grading, and other forms of communication. Students are expected to check D2L at least once a week for any updates. D2L only uses @ucalgary email addresses.

Other platforms, portals, and programs may be required to complete course work. Students must have the capability to stream video.

Students must be able to edit files in Google Docs and Google Slides.

During synchronous meetings, we encourage students to turn on their video interface, and avoid distractions (including technologies and screens that are not relevant to the course) in order to facilitate group connections. At the same time, we are aware that there are circumstances that do not always make this possible. We trust students to make the right decision for themselves in keeping with the Braver Space Guidelines.

**Student-Instructor Communication**

Appropriate communication procedures are described in detail in the Student Code of Conduct Agreement. The instructor’s preferred means of communication is first by scheduled office hours, then by a pre-arranged meeting time (only if the professor’s office hours conflict with another course), and then by email.

The instructor will endeavor to respond to emails within three business days of receiving the message. *If the student emails a question that is fully addressed by the syllabus, Student Code of Conduct, or posted on D2L, the instructor will not reply.* If you don’t receive a response within three business days, you can likely find the answer yourself. The instructor may respond to your email query with the request that you meet to discuss. Please note, that the university’s regular business hours are 8:30-4:30, Monday through Friday and excludes recognized holidays. See the Academic Schedule for more details: ucalgary.ca/pubs/calendar/current/academic-schedule.html
