

Arts Inspire Grants

Arts Inspire Grants are designed to support research and research creation activities across all units in the Faculty of Arts. We invite applications for projects that intend to complete a major output, such as a book, film, exhibition, performance, recording. Budget requests can include subventions, open access fees, research assistantship expenses, among others. Awards are up to \$15,000.

The Faculty of Arts encourages applications that reflect the diversity of its research, scholarship, and creative enterprise, and it encourages applicants from equity-deserving groups, including women, racialized persons, Indigenous peoples, persons with disabilities, and LGBTQ2S+ communities.
