As you immerse yourself in scholarly and artistic pursuits, we encourage you to take some time to explore the **SCPA website** and review the key information for your program. We also encourage you to attend as many concerts, plays, and dance presentations as you can throughout the year in order to fully explore your own artistic development through the inter-arts enrichment that the SCPA offers.

## The School of Creative and Performing Arts and COVID-19

We are excited to see everyone in-person again this fall! The university continues to work very closely with Alberta Health Services to ensure our return to campus strategy aligns with the latest health guidelines. As it has been since the start of the pandemic, your safety is our top priority. For more information about return to campus, check out the **[Fall 2021 FAQ](#)** web page.

We hope that together, we can create a strong community of caring by making sure that we all stay safe and healthy, and by looking out for one another.

- Stay updated! Monitor your UCalgary email frequently and regularly check the **UCalgary's COVID-19 response website** and the **SCPA COVID-19 Guidelines** on the SCPA website.
- Stay home if you are sick and make sure to contact your instructor.

With care and attention, let's make this year safe and successful.

## Academic Requirements and Calendar

Academic Requirements (AR) is a tool for academic program planning, accessed through your Student Centre quick links. However, SCPA programs are different than most programs in the Faculty of Arts and sometimes AR will not give you complete information. We suggest that you use both AR and the Arts Students' Centre advisors to make sure you are receiving the most accurate and complete information about your degree progression.

Students are also encouraged to review the program information that is available in the **University Calendar** (scroll down for program specific requirements).

## Registration Tips

Find useful information regarding common registration concerns below. If you have questions about any of these processes, **connect** with the **Arts Students' Centre** for advice, answers, and referrals.

**Tip: For full-year courses, remember to register in part A (fall term) and part B (winter term).**

**Audit forms:** These forms are available **online**. Students are responsible for collecting all instructor signatures and submitting the form to the Arts Students' Centre for the Faculty permission.

**Requesting pre-requisite waivers, overloads, or course substitution:** Please contact **Arts Students' Centre** directly to explain your situation. Remember to include your UCID.

**Course-specific questions:** Please contact the instructor directly. Current and archived course outlines are available **online**.

**Course auditions:** Please be aware that there are course auditions for some classes, including advanced-acting classes, dance technique classes, and music ensembles. Make sure to check the **online bulletin board** for announcements.

**Can't find a course in your class search?** When you search for classes, make sure that you **UNCHECK** the box that says, 'show open classes only' (on the first screen where you select the term, subject) so that you can see all the courses that are being offered during a term regardless of whether they are at full capacity or not.

## Transfer Students and Transfer Credit

Courses completed at other post-secondary institutions may be accepted for credit towards a degree program at the University of Calgary; students must normally complete a minimum of two full years of study at the University of Calgary in order to qualify for a degree. Copies of course outlines are required in order to obtain transfer credit (particularly if the post-secondary institution is outside of Alberta); these course outlines must include a detailed list of topics covered, textbooks used, grading practices, number of weeks of attendance, and number of lecture/tutorial/lab hours. Connect with the [Arts Students' Centre](#) for more info.

## Minor

Students declare a Minor by requesting a [Change of Program](#) through the Student Centre. Students may declare up to two Minors. The completion of a Minor is recorded on the transcript. To earn a Minor, students must complete at least 30 units and no more than 36 units from the minor Field of Study, including the requirements specified for the particular Minor under [program details](#). Apply by Feb. 1 for fall admission.

## Graduating

Applications for graduating are available online. Before you apply to graduate, schedule an appointment with an advisor in the Arts Students' Centre to complete an official grad check. Visit the [registrar website](#) for more details and a graduation checklist.

## Directed studies

Senior-level students may undertake a directed studies course (DRAM 571) to delve more deeply into a topic not covered by other courses, with the approval of the Division Lead. You must have a faculty member who will supervise you. You will also be required to complete a [directed study form](#), including a course outline. Once you and the instructor have signed and submitted the application, the Division Lead reviews the proposal and makes the decision whether to approve the directed studies course. Completed forms must be submitted to [scpa@ucalgary.ca](mailto:scpa@ucalgary.ca)

## Practicum

Another way of getting course credit for your work is through a practicum (DRAM 391/393/491/493). Practicum credits are awarded for work attached to a production in the academic year and must involve academic exploration of the production. The course requires an appropriate supervisor and the completion of a reflection paper. For course prerequisites, see the [University Calendar](#). Completed [forms](#) must be submitted to the Drama Division Lead.
