The School of Creative Performing Arts during COVID-19

We are excited to see everyone in-person again this fall! The university continues to work very closely with Alberta Health Services to ensure our return to campus strategy aligns with the latest health guidelines. As it has been since the start of the pandemic, your safety is our top priority. For more information about return to campus, check out the Fall 2022 COVID-19 Response web page.

As you have surely been made aware, many classes for the Fall 2021 semester have changed their teaching approach: some classes are in person, some are being taught entirely online, while others are a mixture of online lectures with on-campus labs. Please be sure to check your schedule and be aware of the requirements for each of your classes.

We hope that together, we can create a strong community of caring by making sure that we all stay safe and healthy, and by looking out for one another.

- Stay updated! Monitor your UCalgary email frequently and regularly check the UCalgary’s COVID-19 Response website
- Stay home if you are sick and make sure to contact your instructor.

With care and attention, let’s make this year safe and successful.

Academic Requirements and Calendar

Academic Requirements (AR) is a tool for academic program planning, accessed through your MyUofC quick links. Students should also check with Arts Students’ Centre (ASC) advisors to make sure you are receiving the most accurate and complete information about your degree progression. Advising contact information can be found online. Students wishing to pursue the concurrent BFA (Visual Studies)/BEd degree program should also consult with an advisor at the Werklund School of Education. Advising contact information can be found online.

We also strongly encourage all students to inform themselves on the specific degree and program requirements, which are available in the University Calendar. Information on degrees offered by the School of Creative Performing Arts, including required courses, can be found here.

Registration Tips

Find useful information regarding common registration concerns below. If you have questions about any of these processes, connect with the Arts Students’ Centre (ASC) for advice, answers, and referrals.

**Audit forms:** These forms are available online. Students are responsible for collecting all instructor signatures and submitting the form to the Arts Students’ Centre for the Faculty permission.

**Course-specific questions:** Please contact the instructor directly. Current and archived course outlines are available online.

**Can’t find a course in your class search?** When you search for classes, make sure that you UNCHECK the box that says, ‘show open classes only’ (on the first screen where you select the term, subject) so that you can see all the courses that are being offered during a term regardless of whether they are at full capacity or not.

Transfer Students and Transfer Credit

Courses completed at other post-secondary institutions may be accepted for credit towards a degree program at the University of Calgary; students must normally complete a minimum of two full years of study at the University of Calgary in order to qualify for a degree. Copies of course outlines are required in order to obtain transfer credit (particularly if the post-secondary institution is outside of Alberta); these course outlines must include a detailed list of topics covered, textbooks used, grading practices, weeks of attendance, and number of lecture/tutorial/lab hours. Connect with the Arts Students’ Centre for more info.

To Declare a Major or Minor

Students declare a Minor by requesting a Change of Program through the Student Centre. Students may declare up to two Minors. The completion of a Minor is recorded on the transcript. To earn a Minor, students must complete at least 30 units and no more than 36 units from the minor Field of Study, including the requirements specified for the particular Minor under program details. Apply by Feb. 1 for fall admission.
Graduating

Applications for graduating are available online. Before you apply to graduate (in year 3), schedule an appointment with the advisors in the Arts Students’ Centre to complete an official grad check. Visit the registrar website for more details and a graduation checklist.

Directed Studies

Senior-level students may undertake a directed studies course (DRAM 571) to delve more deeply into a topic not covered by other courses, with the approval of the Division Lead. You must have a faculty member who will supervise you. You will also be required to complete a directed study form, including a course outline. Once you and the instructor have signed and submitted the application, the Division Lead reviews the proposal and makes the decision whether to approve the directed studies course. Completed forms must be submitted to scpa@ucalgary.ca.

Practicum

Another way of getting course credit for your work is through a practicum (DRAM 391/393/491/493). Practicum credits are awarded for work attached to a production in the academic year and must involve academic exploration of the production. The course requires an application that is completed online, an appropriate supervisor and the completion of a reflection paper. For course prerequisites, see the University Calendar. The online Practicum application form will provide further information.

The OEDI is committed to establishing an equitable, diverse, and inclusive campus that is accessible to all and free from harassment, bullying, and discrimination.

Finding your way around

Visit ucalgary.ca/map for a campus map or to use the interactive room finder. Rooms on campus use the first two or three letters to designate the building and the number to designate the room. A room with a number in the 100s is on the main floor, in the 200s is on the second floor and a room such as 004 or 012 is in the basement. For example: the main office for the SCPA is CHD 100. It’s located on the main floor of Craigie Hall, Block D.

**Studios:** Rehearsal studios for Dance, Drama, and Music are located in Craigie Hall in blocks D, E and F and vary in size from small practice rooms to large studios.
**Classrooms:** Most classes in the SCPA are taught in Craigie Hall in blocks D, E and F with a few lecture classes booked in campus lecture halls and large dance classes hosted in Kinesiology.

**Performance spaces:** The SCPA has a number of performance spaces that support our work. These spaces are all close or connected to Craigie Hall and can be found in the creative block, which includes the Rozsa Centre, F.R. Matthews (CHF101), Joyce and Quentin Doolittle (CHF206), Reeve, and University Theatres as well as several other, smaller performance spaces.
