Academic Requirements and Calendar

Academic Requirements (AR) is a tool for academic program planning, accessed through your MyUofC quick links. Students should also check with Arts Students' Centre (ASC) advisors to make sure they are receiving the most accurate and complete information about your degree progression. Advising contact information can be found [online](#). Students wishing to pursue the concurrent BMus/BEd degree program should also consult with an advisor at the [Werklund School of Education](#). Advising contact information can be found [online](#).

We also strongly encourage all students to inform themselves on their specific degree and program requirements, which are available in the [University Calendar](#). Information on degrees offered by the Division of Music, including required courses, can be found [here](#).

Registration Tips

Find useful information regarding common registration concerns below. If you have questions about any of these processes, connect with the [Arts Students' Centre](#) for advice, answers, and referrals.

Audit forms: These forms are available [online](#). Students are responsible for collecting all instructor signatures and submitting the form to ASC for Faculty permission.

Course-specific questions: Please contact the instructor directly. Current and archived course outlines are available [online](#).

Can't find a course in your class search? When you search for classes, make sure that you **UNCHECK** the box that says, 'show open classes only' (on the first screen where you select the term and subject) so that you can see all the courses that are being offered during a term regardless of whether they are at full capacity or not.

Rotating courses: Certain courses are not offered every year but in alternating years. Please plan your degree progress accordingly.

Transfer Students and Transfer Credit

Courses completed at other post-secondary institutions may be accepted for credit towards a degree program at the University of Calgary; students must normally complete a minimum of two full years of study at the University of Calgary in order to qualify for a degree. Copies of course outlines are required in order to obtain transfer credit (particularly if the post-secondary institution is outside of Alberta); these course outlines must include a detailed list of topics covered, textbooks used, grading practices, weeks of attendance, and number of lecture/tutorial/lab hours. Connect with the [Arts Students' Centre](#) for more info.

Graduating

Applications for graduation are available online. Before you apply to graduate, schedule an appointment with the advisors in ASC to complete an official grad check. Visit the [Registrar's website](#) for more details and a graduation checklist.

Directed Studies

Senior-level students may undertake an independent studies course (MUSI 561) to delve more deeply into a topic not covered by other courses, with the approval of the Division Lead. Directed studies can only be undertaken under the supervision of a full-time faculty member. Students wishing to do a directed study should first approach a faculty member to discuss possible supervision. If the faculty member agrees to supervise the directed study, the student will then complete an [application for independent study form](#), including a course outline. Once the student and supervisor have signed and submitted the application, the Division Lead will review the proposal and make the decision whether to approve the independent study course. Completed forms must be submitted to scpa@ucalgary.ca.

Ensembles

Participation in large and small ensembles is an important part of student life during university music studies. Degree requirements vary for how many ensemble credits are required for each degree program.

Ensemble Auditions: In addition to registering for the course, participation in an ensemble depends on passing an audition. Ensemble auditions take place during the first week of classes in September. See the [Ensembles](#) website for more information.

Ensemble Volunteer Policy: In some cases, students may participate in an ensemble without being registered if they do not require the course credit. In most circumstances this can be done by paying a \$50 fee. See the [Ensembles website](#) for more information.

Contact Professor [Laurie Radford](#) for more information about the lab and how to access it.

Telemedia Arts Lab: Telearts experiments with real-time artistic and musical collaboration over high-speed research networks. The Telemedia Arts Lab is directly connected to Canada's research network backbone (CANet) via Alberta's own cyber infrastructure provider, Cybera. The lab is home to Syneme, established under a Canada Research Chair in Telemedia Arts. It serves as a point of multidisciplinary collaboration at the University of Calgary, offering high-definition cameras, projectors, low latency audio and expertise to facilitate creative projects.

Contact Professor [Laurie Radford](#) for more information about the lab and how to access it.

Practice Rooms: There are a number of practice rooms available for BMus and BA Music students in the Craigie Hall F-block. Access is arranged by the SCPA front desk (CHD 100) at the beginning of the term; students can access the practice room suite by swiping their UNICARD on the proximity pad outside of the doors. Keys are required for piano Majors who need access to the grand piano suites. For more information, contact scpa@ucalgary.ca. **Failure to comply with the rules will result in loss of practice room privileges.**

Practice Room Policies

- Practice room windows are not to be covered at any time for safety and fire codes.
- **Under no circumstances should instruments (or electronics) be left unattended in the practice rooms.** There have been instances of theft in the past, so even once you are familiar with those who legitimately belong around the practice rooms, you must take extra care with your instruments and electronics.
- Please do not reserve or “hold” a practice room by leaving a personal item (coat, music, instrument), while you go to class or somewhere else. Rooms unoccupied for more than fifteen (15) minutes may be claimed by another student.
- No food or drink is permitted in the practice rooms. Only water is permitted.
- Please do not study or have personal meetings in the practice rooms. Practice rooms are for individual practice, occasional sectional or chamber music rehearsals, and private lessons during non-peak hours.
- Please do not alter, abuse, or otherwise mark any piano. Grand pianos should not be moved and covers should be left in the closed position when you leave.
- If you notice any problems with any of the practice rooms or with the pianos, please report it to scpa@ucalgary.ca.

FINDING YOUR WAY AROUND

Visit ucalgary.ca/map for a campus map or to use the interactive room finder. Rooms on campus use the first two or three letters to designate the building and the number to designate the room. A room with a number in the 100s is on the main floor, in the 200s is on the second floor and a room such as 004 or 012 is in the basement. For example: the main office for the SCPA is CHD 100. It's located on the main floor of Craigie Hall, Block D.

Studios: Rehearsal studios for Dance, Drama, and Music are located in Craigie Hall in blocks D, E and F and vary in size from small practice rooms to large studios.

Classrooms: Most classes in the SCPA are taught in Craigie Hall in blocks D, E and F with a few lecture classes booked in campus lecture halls and large dance classes hosted in Kinesiology.

Performance spaces: The SCPA has a number of performance spaces that support our work. These spaces are all close or connected to Craigie Hall and can be found in the creative block, which includes the Rozsa Centre, F.R. Matthews (CHF101), Joyce and Quentin Doolittle (CHF206), Reeve, and University Theatres as well as several other, smaller performance spaces.

Program fees

To help cover the costs of maintaining the practice rooms and the instruments in those rooms, all students in Music programs will see a program fee on their tuition bill.

Bachelor of Music program fee (per fall and winter terms)	\$370.00
BA Music and Music Minor program fee (per fall and winter terms)	\$100.00
BMUS/BEd concurrent program (per fall and winter terms)	\$222.00
