Academic Requirements and Calendar

Academic Requirements (AR) is a tool for academic program planning, accessed through your MyUofC quick links. Students should also check with Arts Students' Centre (ASC) advisors to make sure you are receiving the most accurate and complete information about your degree progression. Advising contact information can be found [online](#). Students wishing to pursue the concurrent BFA (Drama)/BEd degree program should also consult with an advisor at the [Werklund School of Education](#).

We also strongly encourage all students to inform themselves on the specific degree and program requirements, which are available in the [University Calendar](#). Information on degrees offered by the School of Creative Performing Arts, including required courses, can be found [here](#).

Registration Tips

Find useful information regarding common registration concerns below. If you have questions about any of these processes, connect with the [Arts Students' Centre \(ASC\)](#) for advice, answers, and referrals.

Audit forms: You may request to [audit](#) a course, which means that you participate in classroom activities, except for lab or tutorial components, and do not complete any exam or course assignments nor receive a grade for the course(s). These forms are available [online](#). Students are responsible for collecting all instructor signatures and submitting the form to the Arts Students' Centre for the Faculty permission.

Course-specific questions: Please contact the instructor directly. Current and archived course outlines are available [online](#).

Can't find a course in your class search? When you search for classes, make sure that you **UNCHECK** the box that says, 'show open classes only' (on the first screen where you select the term, subject) so that you can see all the courses that are being offered during a term regardless of whether they are at full capacity or not.

Rotating courses: Certain courses are not offered every year but in alternating years. Please plan your degree progress accordingly.

Transfer Students and Transfer Credit

Courses completed at other post-secondary institutions may be accepted for credit towards a degree program at the University of Calgary; students must normally complete a minimum of two full years of study at the University of Calgary to qualify for a degree. Copies of course outlines are required to obtain transfer credit (particularly if the post-secondary institution is outside of Alberta); these course outlines must include a detailed list of topics covered, textbooks used, grading practices, weeks of attendance, and number of lecture/tutorial/lab hours. Connect with the [Arts Students' Centre](#) for more info.

To Declare a Major or Minor

Students declare a Minor by requesting a [Change of Program](#) through the Student Centre. Students may declare up to two Minors. The completion of a Minor is recorded on the transcript. To earn a Minor, students must complete at least 30 units and no more than 36 units from the minor Field of Study, including the requirements specified for the particular Minor under [program details](#). The application deadline is February 1 for the following Fall admission.

Graduating

Applications for graduating are available online. Before you apply to graduate, and as early as year 3, schedule an appointment with the advisors in the Arts Students' Centre to complete an official grad check. Visit the [registrar website](#) for more details and a graduation checklist.

Directed/Independent Studies

Senior-level students may undertake a directed/independent studies course (DRAM 571) to delve more deeply into a topic not covered by other courses, with the approval of the Drama Division Lead. You must have a faculty member who will supervise you. You will also be required to complete a [directed/independent study form](#), including a course outline. Once you and the instructor have signed and submitted the application, the Drama Division Lead reviews the proposal and makes the decision whether to approve the directed/independent studies course. Completed forms must be submitted to scpa@ucalgary.ca.

Practicum

Another way of getting course credit for your work is through a practicum (DRAM 391/393/491/493). Practicum credits are awarded for work attached to a production in the academic year and must involve academic exploration of the production. The course requires an application that is completed online, an appropriate supervisor and the completion of a reflection paper. For course prerequisites, see the [University Calendar](#). [The online Practicum application form will provide further information](#).

Facilities and Resources

University Theatre Services (UTS): This is a support service unit within the SCPA whose primary function is to support the academic programs of the SCPA. UTS also provides a wide variety of production, publicity, box-office and management support services to all users of the University Theatre, the Reeve Theatre, and the Rozsa Centre, including the Eckhardt-Gramatté Hall, and the Boris Roubakine Recital Hall, for both on-campus and off-campus customers. UTS offices are located in Craigie Hall D Block.

Taylor Family Digital Library (TFDL): The University of Calgary [Libraries and Cultural Resources](#) supports the Drama programs with extensive collections and services, including research advice and accessing materials (audio/visual, books, periodicals, online databases). These collections and services are a valuable resource for students and faculty so please make good use of them. If you have specific questions, connect with the music librarian [Laura Reid](#).

It offers a full range of creative software, including video editing, 2D graphics and animation, 3D modeling and animation, CAD, music/audio sequencing, music notation, and interaction design and authoring. Equipment for short-term loan (e.g., audio recorder, DSLR) and printing services are also available for Art and SCPA students. For more information, contact the Head Technician [Anthony Reimer](#) or [visit the IAML web site](#).

Art, Dance, Drama, and Music Majors can gain access to the Main Lab seven days a week from 7 a.m. until 11 p.m. by simply tapping their UNICARD on the proximity pad outside the door. (Note that the Art Building is locked at 10 p.m. daily.) If your card does not open the front door or if you are pursuing a minor in Art, Dance, Drama, or Music, contact the Head Technician during staff hours to obtain access (Monday to Friday, 8:30 a.m. to 12 p.m., 1 p.m. to 4:30 p.m.).

Finding your way around

Visit ucalgary.ca/map for a campus map or to use the interactive room finder. Rooms on campus use the first two or three letters to designate the building and the number to designate the room. A room with a number in the 100s is on the main floor, in the 200s is on the second floor and a room such as 004 or 012 is in the basement. For example: the main office for the SCPA is CHD 100. It's located on the main floor of Craigie Hall, Block D.

Studios: Rehearsal studios for Dance, Drama, and Music are in Craigie Hall in blocks D, E and F and vary in size from small practice rooms to large studios.

Classrooms: Most classes in the SCPA are taught in Craigie Hall in blocks D, E and F with a few lecture classes booked in campus lecture halls and large dance classes hosted in Kinesiology.

Performance spaces: The SCPA has a number of performance spaces that support our work. These spaces are all close or connected to Craigie Hall and can be found in the creative block, which includes the Rozsa Centre, F.R. Matthews (CHF101), Joyce and Quentin Doolittle (CHF206), Reeve, and University Theatres as well as several other, smaller performance spaces.
