Academic Requirements and Calendar

Academic Requirements (AR) is a tool for academic program planning, accessed through your MyUofC quick links. Students should also check with Arts Students' Centre (ASC) advisors to make sure they are receiving the most accurate and complete information about your degree progression. Advising contact information can be found [online](#). Students wishing to pursue the concurrent BMus/BEd degree program should also consult with an advisor at the [Werklund School of Education](#). Advising contact information can be found [online](#).

We also strongly encourage all students to inform themselves on their specific degree and program requirements, which are available in the [University Calendar](#). Information on degrees offered by the Division of Music, including required courses, can be found [here](#).

Registration Tips

Find useful information regarding common registration concerns below. If you have questions about any of these processes, connect with the [Arts Students' Centre](#) for advice, answers, and referrals.

Audit forms: These forms are available [online](#). Students are responsible for collecting all instructor signatures and submitting the form to ASC for Faculty permission.

Course-specific questions: Please contact the instructor directly. Current and archived course outlines are available [online](#).

Can't find a course in your class search? When you search for classes, make sure that you **UNCHECK** the box that says, 'show open classes only' (on the first screen where you select the term and subject) so that you can see all the courses that are being offered during a term regardless of whether they are at full capacity or not.

Rotating courses: Certain courses are not offered every year but in alternating years. Please plan your degree progress accordingly.

Transfer Students and Transfer Credit

Courses completed at other post-secondary institutions may be accepted for credit towards a degree program at the University of Calgary; students must normally complete a minimum of two full years of study at the University of Calgary in order to qualify for a degree. Copies of course outlines are required in order to obtain transfer credit (particularly if the post-secondary institution is outside of Alberta); these course outlines must include a detailed list of topics covered, textbooks used, grading practices, weeks of attendance, and number of lecture/tutorial/lab hours. Connect with the [Arts Students' Centre](#) for more info.

Graduating

Applications for graduation are available online. Before you apply to graduate, schedule an appointment with the advisors in ASC to complete an official grad check. Visit the [Registrar's website](#) for more details and a graduation checklist.

Directed/Independent Studies

Senior-level students may undertake a directed/independent studies course (MUSI 561) to delve more deeply into a topic not covered by other courses, with the approval of the Division Lead.

Directed/independent studies can only be undertaken under the supervision of a full-time faculty member. Students wishing to do a directed study should first approach a faculty member to discuss possible supervision. If the faculty member agrees to supervise the directed/independent study, the student will then complete an [application for directed/independent study form](#), including a course outline. Once the student and supervisor have signed and submitted the application, the Division Lead will review the proposal and make the decision whether to approve the directed/independent study course. Completed forms must be submitted to scpa@ucalgary.ca.

Ensembles

Participation in large and small ensembles is an important part of student life during university music studies. Degree requirements vary for how many ensemble credits are required for each degree program.

Ensemble Auditions: In addition to registering for the course, participation in an ensemble depends on passing an audition. Ensemble auditions take place during the Block week and/or the first week of class in September. See the [Ensembles](#) website for more information.

Ensemble Volunteer Policy: In some cases, students may participate in an ensemble without being registered if they do not require the course credit. See the [Ensembles website](#) for more information.

Facilities and Resources

University Theatre Services (UTS) is a support service unit within the SCPA whose primary function is to support the academic programs of the SCPA. UTS also provides a wide variety of production, publicity, box-office and management support services to all users of the University Theatre, the Reeve Theatre, and the Rozsa Centre (including the Eckhardt-Gramatté Hall), and the Boris Roubakine Recital Hall, for both on-campus and off-campus customers. UTS offices are located in Craigie Hall D Block.

- Frequently used CDs are available at the front of the reference area for your use (near the gaming computers). Scores and music parts are available as well on the reference shelving. Video materials will be found on the north end of the 1st floor in the reference section. Please note that less frequently circulated material has been recently moved to the high-density storage off site, this should be considered when working on your research.

Canadian Music Centre (CMC), CHG 205: Contemporary Canadian music research and performance is further augmented by the presence of the [Canadian Music Centre \(CMC\) Prairie Regional Office](#) with a library of music by Canadian composers.

Integrated Arts Media Labs: The [Integrated Arts Media Labs \(IAML\)](#) are a dedicated digital arts education and production environment created specifically for students in Art, Dance, Drama, and Music. The IAML consists of the Main Lab (AB 659, 22 stations) and the Small Lab (AB 605, 10 stations). Each station is equipped with a Mac computer, MIDI keyboard, and a colour-calibrated display(s). It offers a full range of creative software, including video editing, 2D graphics and animation, 3D modeling and animation, CAD, music/audio sequencing, music notation, and interaction design and authoring. Equipment for short-term loan (e.g., drawing tablet, audio recorder, DSLR) and printing services are also available for Art and SCPA students. For more information, contact the Head Technician [Anthony Reimer](#) or [visit the IAML website](#).

Art, Dance, Drama, and Music Majors can gain access to the Main Lab seven days a week from 7 a.m. to 11 p.m. by simply tapping their UNICARD on the proximity pad outside the door (note that the Art Building is locked at 10 p.m. daily). If your card does not open the front door or if you are pursuing a minor in Art, Dance, Drama, or Music, contact the Head Technician during staff hours to obtain access (Monday to Friday, 8:30 a.m. to 12 p.m., 1 p.m. to 4:30 p.m.).

Sonic Arts Lab: The Sonic Arts Lab, located beside the Integrated Arts Media Lab, is a multi-channel digital audio studio designed for teaching, creation and research involving sound and technology. Students and faculty realize projects in electroacoustic music, soundscape composition, computer music, multi-channel sound spatialization, and interactive music involving instruments with computer, and sound design for video, film, and stage production.

Contact Professor [Laurie Radford](#) for more information about the lab and how to access it.

Telemedia Arts Lab: Telearts experiments with real-time artistic and musical collaboration over high-speed research networks. The Telemedia Arts Lab is directly connected to Canada's research network backbone (CANet) via Alberta's own cyber infrastructure provider, Cybera. The lab is home to Syneme, established under a Canada Research Chair in Telemedia Arts. It serves as a point of multidisciplinary collaboration at the University of Calgary, offering high-definition cameras, projectors, low latency audio and expertise to facilitate creative projects.

Contact Professor [Laurie Radford](#) for more information about the lab and how to access it.

Practice Rooms: There are 19 practice rooms available for BMus and BA Music students in the Craigie Hall F-block. 6 of these rooms have grand pianos and are accessible to piano majors (CHF 116, 120, 124, 128, 132, and 136). Access will be prearranged for music performance majors at the beginning of the Fall semester. If you have issues with access, please email scpa@ucalgary.ca or visit the CHD100 administrative office front desk. Students can access the practice room suite by swiping their UNICARD on the proximity pad outside of the doors. Keys are required for piano Majors who need access to the grand piano suites. FINDING YOUR WAY AROUND

Visit ucalgary.ca/map for a campus map or to use the interactive room finder. Rooms on campus use the first two or three letters to designate the building and the number to designate the room. A room with a number in the 100s is on the main floor, in the 200s is on the second floor and a room such as 004 or 012 is in the basement. For example: the main office for the SCPA is CHD 100. It's located on the main floor of Craigie Hall, Block D.

Studios: Rehearsal studios for Dance, Drama, and Music are located in Craigie Hall in blocks D, E and F and vary in size from small practice rooms to large studios.

Classrooms: Most classes in the SCPA are taught in Craigie Hall in blocks D, E and F with a few lecture classes booked in campus lecture halls and large dance classes hosted in Kinesiology.

Performance spaces: The SCPA has a number of performance spaces that support our work. These spaces are all close or connected to Craigie Hall and can be found in the creative block, which includes the Rozsa Centre, F.R. Matthews (CHF101), Joyce and Quentin Doolittle (CHF206), Reeve, and University Theatres as well as several other, smaller performance spaces.

Program fees

There are Registrar-approved program fees for music students, which are used towards the total cost of music lessons and the maintenance of the music practice rooms and instruments. These fees will appear on your tuition bill.
