MASTER OF FINE ARTS IN DRAMA

The MFA in Drama lives within the dynamic School of Creative and Performing Arts. Applicants can specialize in Design/Technical, Directing, Interdisciplinary Creation and Research, Playwriting, or Theatre Studies. In each of these areas, students receive expert instruction and supervision from some of Canada's most recognized scholars, artists, and artist/scholars. Students enjoy high levels of agency within a carefully structured framework as they determine their individual program designs and thesis subjects. The program complements discipline-specific preparation with unique opportunities for interdisciplinary instruction and experience within the school.

Graduate students often engage with our performance season and our festival of student work, which supports a wide range of audience relationships. Facilities include graduate student offices, design, and costume shops, three thoroughly equipped and staffed theatre spaces (ranging from 150 through 500 seats), and a fourth studio theatre dedicated to faculty and graduate student research.

SECTION II – PROGRAM REQUIREMENTS / SPECIALIZATIONS

Drama's graduate program specializes in directing, playwriting, design/technical, theatre studies and interdisciplinary creation and research.

In addition to [Faculties of Graduate Studies requirements](#), the SCPA, Drama Division has additional requirements specific to the various specializations within the MFA program.

Find out more by observing the [Drama specific requirements](#) featuring the following information and more:

- Degrees and Specializations offered
- Admission Requirements
- Program/Course Requirements
- Additional Requirements
- Required Examinations
- Research Proposal Requirements

You can also contact your Graduate Program Advisor (artsgradsc@ucalgary.ca) for program-related questions including degree requirements, program funding, assistantships, and degree audits before your final term.

DIRECTED STUDIES

To gain credit for a special project that does not fall under an assigned course name you can apply for a Directed Study credit. You must have a faculty member who will supervise you. Completed forms must be submitted to artsgradsc@ucalgary.ca by the end of the first week of lectures. View the [Graduate resources webpage](#) for more details on directed studies.

SECTION III – SUPERVISORY ARRANGEMENTS

Supervisory arrangements in the SCPA, Drama Division are based on the Faculty of Graduate Studies supervisory regulations: ucalgary.ca/pubs/calendar/grad/current/gs-j.html

Students will be assigned an interim supervisor to start with and must discuss and declare their supervisor of record within 8 months of starting the program (usually by mid-April for September starts).

SECTION IV – EVALUATION PROCEDURES AND STANDARDS

ANNUAL PROGRESS REPORT

Once per year each student must complete an Annual Progress Report (APR). The Faculty of Graduate Studies will email the student the on-line form on the first business day of May. The student must complete their portion of the form before May 15th, after which it is forwarded to the Supervisor and Co-Supervisor (if applicable) before the Graduate Program Director signs off. The student will receive an online copy of the report after the Supervisor and the Graduate Program Director have completed their sections and will acknowledge the final APR.

ANNUAL REGISTRATION INITIALIZATION

Every year, after your first year and before your annual registration term (in most cases September 1st) students must complete the registration initialization in their Student Centre. This allows for continued course registration and, if you have completed course work, it updates your file to confirm you are continuing your studies and/or thesis work. At the same time, we ask all students to ensure that we have your current email, phone number, and mailing address, along with your emergency contact information.

DEGREE AUDITS

It is recommended that before the last term of your courses you make an appointment with the Graduate Program Advisor for a degree audit, ensuring you have completed all necessary course work and understand the necessary steps to complete your degree.

DEADLINE DATES

Graduate students should be aware of all deadline dates as listed in the current Faculty of Graduate Studies Calendar: <https://www.ucalgary.ca/pubs/calendar/grad/current/academic-schedule.html>

SECTION VII - FACILITIES

Visit ucalgary.ca/map for a campus map or to use the interactive room finder. Rooms on campus use the first two or three letters to designate the building and the number to designate the room. A room with a number in the 100s is on the main floor, in the 200s is on the second floor and a room such as 004 or 012 is in the basement. For example: the main office for the SCPA is CHD 100. It's located on the main floor of Craigie Hall, Block D.

Studios, Classrooms & Performance spaces

Rehearsal studios for Dance, Drama, and Music are in Craigie Hall in blocks D, E and F and vary in size from small practice rooms to large studios. The majority of classes in the SCPA are taught in Craigie Hall in blocks D, E and F with a few lecture classes booked in campus lecture halls and large dance classes hosted in Kinesiology.

The SCPA has several performance spaces that support our work. These spaces are all close or connected to Craigie Hall and can be found in the creative block, which includes the Rozsa Centre, The F.R. Matthews (CHF101), Joyce and Quentin Doolittle (CHF206), Reeve, and University Theatres as well as several other smaller performance spaces.

Room Bookings

For more information on booking a SCPA Facility you can speak to our Administrative Assistant located in Craigie hall block CHD 100 or by email at scpa@ucalgary.ca or go to the [Facilities and room bookings](#) webpage.

Graduate Student office assignments

All graduate students are assigned offices by the Division Lead of Drama. Keys and room numbers will be assigned and provided to each student in August/September by the Administrative Assistant located in Craigie Hall CHD 100. It is your responsibility to keep your office clean and safe during the time you are assigned the space. Please do not leave food or drinks in your office or decorate in any way that can damage the office or create a fire hazard.

Integrated Arts Media Labs

The [Integrated Arts Media Labs \(IAML\)](#) are a dedicated digital arts education and production environment located on the 6th floor of the Art Building (Parkade), created specifically for students in the Department of Art and Art History (DAAH), Dance, Drama, and Music.
