

Summer Internship in Regulatory Economics Placements: 2017-2022

- 2022: Seven students. Chymko Consulting, Market Surveillance Administrator (Alberta), TC Energy, Alberta Utilities Commission, Heartland Generation, Alberta Electric System Operator.
- 2021: Five students. Chymko Consulting, Market Surveillance Administrator, Pembina Pipeline Corporation, Trans Mountain Pipeline, TC Energy.
- 2020: Eight students. Six were at the Canada Energy Regulator: the other two were at Chymko Consulting and Church Economic Consulting. Unfortunately, there were a number of other placements that were cancelled because of the pandemic (e.g., TC Energy, TransAlta, ENMAX, and Heartland Generation)
- 2019: Seven students. ATCO Electricity Generation, the Market Surveillance Administrator, Chymko Consulting, Enbridge Pipelines Inc., and Capital Power.
- 2018: Five students. Alberta Electric System Operator, Analysis Group, the Alberta Utilities Commission, the Utilities Consumer Advocate, and TransCanada Pipelines.
- 2017: Eight students. Alberta Electric System Operator, Brookfield Infrastructure, Enbridge Pipelines, Market Surveillance Administrator, National Energy Board, TransCanada Pipelines, and the Utilities Consumer Advocate.
