## DEPARTMENT NEWS

### HIGHLIGHTED PUBLICATION

**Chadwick, L., Sharma, M. J., Madigan, S., Callahan, B. L., & Yeates, K. O. (2022).** Classification criteria and rates of persistent post-concussive symptoms in children: A systematic review and meta-analysis. *The Journal of Pediatrics*. <https://doi.org/10.1016/j.jpeds.2022.03.039>

### Objective

To provide a systematic review of studies examining the proportion of children with persistent postconcussive symptoms (PPCS) and to examine potential moderators of prevalence.

### Conclusions

Approximately one-third of children with concussion/mild traumatic brain injury will experience PPCS. Age, sex, and point of care could help identify children at high risk for PPCS.

## EVENTS/ ANNOUNCEMENTS

### Psychology Space Committee

The Department of Psychology's Space Committee is conducting interviews with students who identify as having a physical disability (e.g., mobility, hearing or visual). We are specifically looking for students that have experience using the University of Calgary's Administration Building as the Psychology Department stimulated and sponsored this project. However, we are also interested in the navigation experiences across campus. The project ultimately aims to improve our understanding of the difficulties of navigating the University of Calgary's main campus and enhance the overall quality of the experience.

#### Are You A Student With A Physical Disability at the University Of Calgary?

We are inviting participants with mobility, hearing or visual impairments to join us for an interview via Zoom to talk about their experiences navigating the main campus at the university.

IF YOU, OR IF SOMEONE YOU KNOW, ARE INTERESTED IN PARTICIPATING, CONTACT US AT [frsterze@ucalgary.ca](mailto:frsterze@ucalgary.ca)

The University of Calgary Conjoint Faculties Research Ethics Board has approved this research study (REB22-0127).  
Primary Investigator: Dr. Julia Kam  
Contact: [julia.kam@ucalgary.ca](mailto:julia.kam@ucalgary.ca)

Eligible participants will have a chance to win a \$50 CAD Amazon e-gift card.

### ICP Award nominations

The International Council of Psychologists (ICP) welcomes nominations and self-nominations for awards that honor international research and service! Award recipients are honored at the ICP Annual Meeting and are invited to give an Award Talk on their work. For more information visit:

## SPSD Research Group Discussions

The Social, Personality, and Social Development (SPSD) Psychology Research Group gathers via Zoom every Monday from 12:00 pm – 1:30 pm. We discuss and learn about research being conducted by faculty, students, and affiliates of the University of Calgary.

During our May 30 session, Dr. Alex Bierman from the sociology department will present his research on “The psychological consequences of financial strain among Canadian older adults: A new program of research”

Also, on June 6, 2022, Dr. Susan Boon will discuss “Next steps in the study of forgiveness and unforgiveness in friendship.”

You can use the following Zoom link to join the SPSPD meetings during the spring semester:

## **VOLUNTEER AND JOB POSTINGS**

### **For Undergraduate Students**

#### **Summer Position – Qualitative Research**

We have 2 opportunities to join a dynamic team of researchers, with a strong interest in agriculture, sustainability, and policy science.

You would work in collaboration with research associates managing ongoing programs, involving qualitative research.

The Simpson Centre for Food and Agriculture is a research policy institute situated at the School of Public Policy. We are quite flexible on working times, i.e. this summer position is compatible with taking vacation during the summer. We would likely need a 2-month commitment though, in order to achieve results. We focus on outcomes.

To apply: email [tarra.drevet@ucalgary.ca](mailto:tarra.drevet@ucalgary.ca) with CV.

#### **MAUD Medical Clinic Volunteer**

MAUD Medical Clinic is currently seeking volunteers who are passionate about vaginal health and patient care. Duties may include preparing exam rooms for appointments, setting up equipment for procedures, preparing biological samples for the lab, assisting with minor medical tests and procedures, and ensuring clinic cleanliness. Volunteers will work closely with the medical office assistant team, MDs, and pelvic floor physiotherapists. The time commitment is three hours per week.

Applications are due May 24, 2022, via Google Form, [here](#)!

## **For Graduate Students, Faculty, & Staff**

### **Tenure Track Position in Child Clinical Psychology**

The Department of Psychology at Memorial University of Newfoundland invites applications for a tenure track position in Child Clinical Psychology at the rank of Assistant Professor. Please quote the position number **F01310-2022-60** on all correspondence related to this search.

The successful candidate will: (1) hold a doctorate degree from a CPA or APA accredited clinical psychology program (or equivalent) before starting the position; (2) have completed a CPA or APA accredited pre-doctoral clinical internship in professional psychology; (3) be registered or eligible for registration in Newfoundland and Labrador; (4) show evidence of an active research program; and (5) have training and experience working with children/families. In addition to teaching core courses in our CPA-accredited Psy.D Program and in our undergraduate program, the successful candidate will be expected to provide effective clinical and research supervision at the graduate and undergraduate levels. The successful candidate will be expected to teach courses in: i) Child Psychopathology, Assessment & Diagnosis; or ii) Principles of Child Intervention.

Applicants should submit: (1) a cover letter summarizing your interest in the position; (2) a curriculum vitae; (3) a statement of their approach to clinical training and clinical practice; (4) a statement of research interests; (5) three selected reprints; (6) a statement of teaching philosophy and evidence of effective teaching where available; (7) brief (1-2 pages) statement indicating commitment to equity, diversity and inclusion; and (8) the names, mailing addresses and email addresses of three referees to:

Dr. Christina Thorpe, Head, Department of Psychology  
Memorial University of Newfoundland, St. John's, NL, A1B 3X9.

Electronic submissions are strongly encouraged and may be sent via e-mail to Psychology.Head@mun.ca along with a copy to [psychsecretary@mun.ca](mailto:psychsecretary@mun.ca)

The deadline for receipt of all materials is **June 15, 2022**

The preferred appointment start date is **September 1, 2022** (negotiable January 1, 2023).

### **Tenure Track Position: Animal Behaviour**

The Department of Psychology at the St. John's campus of Memorial University of Newfoundland and Labrador invites applications for a tenure-track Assistant Professor position in Animal Behaviour (Position Number F02875-2021-31). Researchers with a strong background in Psychology and a Ph.D. in Psychology or another area related to animal behaviour, who investigate the mechanisms, development, function, ecology, or evolution of behaviour (or any combination thereof) in any taxonomic group, are encouraged to apply. Preference will be given to candidates who will develop primarily nonlaboratory (e.g., field or community-based) programs of research in Newfoundland and Labrador.

The successful candidate will show evidence of an active research program that can attract external funding. The successful candidate will be expected to contribute to teaching courses within the area of animal behaviour and in other areas of Psychology appropriate to their expertise (e.g., Animal Cognition, Evolutionary Psychology, Applied Animal Behaviour, Introductory Psychology, etc.). Candidates will also demonstrate capacity for supervising Undergraduate Honours students in Psychology and graduate students in Psychology and/or the Cognitive and Behavioural Ecology Program (CABE- an interdisciplinary graduate program with core members from the Department of Psychology). CABE supervisors and collaborators come from the Departments of Biology and Ocean Sciences; the Marine Institute; Grenfell Campus, as well as from external partner organizations such as Environment Canada and the Department of Fisheries and Oceans. The successful candidate will be expected to foster and benefit from the program's interdisciplinary structure and the university's overarching commitment to interdisciplinary research.

Applicants should submit a (1) curriculum vitae, (2) statement of research interests and three selected reprints, (3) statement of teaching interests and evidence of effective teaching, (4) an Equity, Diversity, & Inclusion statement that addresses key issues required for successful Tri-Council applications (e.g., [https://www.nserc-crsng.gc.ca/doc/EDI/Guide\\_for\\_Applicants\\_EN.pdf](https://www.nserc-crsng.gc.ca/doc/EDI/Guide_for_Applicants_EN.pdf)) and (4) the names and email addresses of three referees to:

Dr. Christina Thorpe, Head, Department of Psychology, Memorial University, St. John's, NL, A1B 3X9.

Electronic submissions are strongly encouraged and may be sent via e-mail to [Psychology.Head@mun.ca](mailto:Psychology.Head@mun.ca)

Applications must be received by **July 1st, 2022**. The appointment will begin on **January 1, 2023**.
