

Monday Memo

Department of Psychology
University of Calgary
October 11th, 2022

Congratulations Dr. Keith Dobson!

On Friday, October, 7th, The Department of Psychology celebrated the retirement of Dr. Keith Dobson. Seen here is Dr. Candace Konnert giving a retirement address.

Upcoming Events

Introduction to Multilevel Analysis

Host: Canadian Centre for Research Analysis and Methods (CCRAM Haskayne and Andrew Hayes)

When: November 18-19, with upcoming early registration discount period ending on Oct 18th

Where: University of Calgary downtown campus

Who: Graduate students, faculty, post docs, research associates, anyone in the world who does research

Dr. Jason Rights (UBC Department of Psychology, Quantitative Psychology area) will be teaching a two day CCRAM Session on Multilevel Modeling on November 18-19 at the University of Calgary downtown campus. This course is offered by the Canadian Centre for Research Analysis and Methods. University of Calgary affiliated registrants are eligible for a 20% discount on registration. Early discount registration period ends on Oct 18. Seats are limited. For details, as well as other CCRAM Sessions being offered by the Centre, see <http://haskayne.ucalgary.ca/CCRAM>

Honours Information Session

Host: PSYCHS

When: Thursday, October 13th from 5:30PM-7:30PM

Where: AD142 (or online option via Zoom)

Who: Undergraduate Students

PSYCHS is hosting the Honours Information Session this year! Dr. Simon Spanswick will be sharing information on what the Honours program is, how to apply, and why it is a helpful program. This event is open to all undergraduate students and will be helpful for students in all years plan out their degree. There have been some recent changes to the Honours application process, so we encourage any interested students to attend (even if you have attended Honours Nights in previous years). Come and join us to learn more about this awesome program and ask any questions you have!

If you are interested in attending please register through this link:

<https://forms.gle/dGSJZGMjviubwnk19>

Undergraduate Meet and Greet

Host: PSYCHS

When: Tuesday, October 11th from 6:30PM to 7:45PM

Where: Arts Lounge

Who: Undergraduate Students

Meet fellow U of C Psychology students and make new friends! This event will feature ice breaker games, food, and more! Please join us for an evening of fun! This is our first social event of the year and all our members are welcome! If you are not already a member, don't fret you can visit us in our office (EDC291) to sign-up. If you're interested in attending, please join our Club Hub roster and RSVP to the event.

The Social, Personality, and Social Development (SPSD) Psychology Research Group Weekly Meeting

Host: SPSPD

When: Monday, October 17, 2022

Where: AD247

Who: Everyone is welcome to attend!

The Social, Personality, and Social Development (SPSD) Psychology Research Group gathers every Monday from 3:00 pm – 4:30 pm in AD247. We discuss and learn about research being conducted by faculty, students, and affiliates of the University of Calgary.

Next week (October 17th, 2022) we have the pleasure of welcoming visiting Social Psychologist Dr. Valerie Pruegge to present their research on implicit bias titled "I'm Biased and So Are You: The Neuroscience of Bias".

Volunteer & Job Positions

The Enhance Lab Volunteer Opportunities

The Enhance Lab is looking for multiple volunteers to help with several different research projects over the current academic year. Volunteers would work collaboratively with lab members to help with data extraction (coding data from multiple sources) in one or more ongoing research projects. Interested students will receive instruction on data extraction procedures from senior lab members but would ideally have some previous experience in basic statistics, literature searching and/or data extraction. The time commitment would be dependent on your availability but would ideally be approximately 5-10 hours per week. For more information on our lab's research please visit our website at <https://www.enhancekidshealth.com/>. If you are interested in volunteering please email enhancelab@ucalgary.ca for more information.

The Enhance Lab Social Media Coordinator

The Enhance Lab led by Dr. Carly McMorris is looking to hire a new social media coordinator. The paid position will require a 3-hour weekly time commitment and involve both managing the postings of various lab social media accounts as well as the design and creation of recruitment materials and posters in collaboration with lab members. Interested applicants will be required to have experience with design programs such as Canva and preference will be given to those with prior experience managing social media accounts. For more information about the Enhance Lab and our research please visit our website at <https://www.enhancekidshealth.com/>. If you are interested in applying for the position please email us at enhancelab@ucalgary.ca.

Research Assistant

The Neurocognitive Disorders Lab and Strengths in ADHD Lab are looking for a research assistant to coordinate a joint project between both labs. The position, to begin immediately, will require a commitment of 10 hours per week for a 6-month term, with possibility of extension. Tasks will primarily include contacting and scheduling research participants, as well as coordinating the distribution of study materials. Excellent attention to detail is required. To apply, please email brandy.callahan@ucalgary.ca with your up-to-date CV and transcript by end-of-day Friday October 14, 2022.

Submissions to the Monday Memo

Please submit your upcoming events, open positions, announcements, congratulations and more for the Monday Memo through this link: https://survey.ucalgary.ca/jfe/form/SV_77Cs2PySTolknwW
Please submit Fridays by 12pm noon to be included the following Monday.
