Students should also check with Arts Students' Centre (ASC) advisors to make sure you are receiving the most accurate and complete information about your degree progression. Advising contact information can be found [online](#). Students wishing to pursue the concurrent BFA (Visual Studies)/BEd degree program should also consult with an advisor at the [Werklund School of Education](#). Advising contact information can be found [online](#).

We also strongly encourage all students to inform themselves on the specific degree and program requirements, which are available in the [University Calendar](#). Information on degrees offered by the DAAH, including required courses, can be found [here](#).

Registration Tips

Find useful information regarding common registration concerns below. If you have questions about any of these processes, connect with the [Arts Students' Centre \(ASC\)](#) for advice, answers, and referrals.

Audit forms: You may request to [audit](#) a course, which means that you participate in classroom activities, except for lab or tutorial components, and do not complete any exam or course assignments nor receive a grade for the course(s). These forms are available [online](#). Students are responsible for collecting all instructor signatures and submitting the form to the Arts Students' Centre for the Faculty permission.

Requesting pre-requisite waivers, overloads, or course substitution: Please contact the [ASC](#) directly to explain your situation. Remember to include your UCID.

Can't find a course in your class search? When you search for classes, make sure that you **UNCHECK** the box that says, 'show open classes only' (on the first screen where you select the term, subject) so that you can see all the courses that are being offered during a term regardless of whether they are at full capacity or not.

Transfer Students and Transfer Credit

Courses completed at other post-secondary institutions may be accepted for credit towards a degree program at the University of Calgary; students must normally complete a minimum of two full years of study at the University of Calgary to qualify for a degree. Copies of course outlines are required to obtain transfer credit (particularly if the post-secondary institution is outside of Alberta); these course outlines must include a detailed list of topics covered, textbooks used, grading practices, weeks of attendance, and number of lecture/tutorial/lab hours. Connect with [ASC](#) for more info.

Graduating

Applications for graduation are available online. Before you apply to graduate, schedule an appointment with the advisors in ASC to complete an official grad check. Visit the [registrar website](#) for more details and a graduation checklist.

Change of Program

Applications for Change of Program are available [online](#), and the deadline to apply is February 1st.

BFA Honours

If you are in your third year in Visual Studies (BFA) or will have completed 75 units, you may have the option to apply for the [BFA Honours program](#) through the Change of Program process. The BFA Honours program is an advanced undergraduate program for students seeking a more focused studio experience, careers as practicing and professional artists, or further graduate level study in an MFA program. This program normally culminates in a BFA Exhibition at the Nickle Galleries. [Click here for the calendar listing of requirements.](#)

If you would like to apply, in addition to the Change of Program application, you must submit a [portfolio application online](#).
