Stretcher Training Acknowledgement Questionnaire

Department of Art & Art History, University of Calgary

Important Notes:

You must study the Stretcher Guide and correctly complete this questionnaire before coming to the Woodshop for hands-on training on stretcher construction. Email your completed questionnaire to Steven Nunoda, Workshop Technician, at steven.nunoda@ucalgary.ca. Please attach the PDF and use the subject line "Stretcher Training"

By completing and submitting this questionnaire, you are acknowledging that you have studied the entire Building Stretchers in the Woodshop document, have understood its content, and agree to abide by the safety rules and procedures within.

Questions

1. Which of the following comply with actual Workshop Safety Rules? Check all correct answers.

Complete the Departmental Safety Orientation before coming to the Workshop.

Put a pair of safety glasses on as soon as you enter.

Wear sturdy, closed-toed shoes, long pants. Do not wear clothing or jewelry that might catch on a machine, and if you have long hair, tie it back.
